

PROJEKT ZAGOSPODAROWANIA TARGOWISKA MIEJSKIEGO
W WYSZKOWIE

The plan shows a rectangular market square layout. At the top, there are three entrances labeled BRAMA B, BRAMA C, and BRAMA E. The square is divided into several aisles: ALEJKA F (top), ALEJKA E, ALEJKA D, ALEJKA C, and ALEJKA B (right). On the left side, there is a large area labeled 'plac manewrowy' (maneuvering square) and a vertical aisle labeled ALEJKA A. At the bottom, there are four entrances labeled WEJŚCIE A, WEJŚCIE B, WEJŚCIE C, and WEJŚCIE D. The stalls are represented by blue rectangular blocks, and the aisles are marked with dashed lines. A central area is shaded in black, and a large area on the right is shaded in grey. The plan includes various dimensions and technical drawing symbols.
